MAX FREER :

Emergency Motion for Order Regarding Medical Treatment

Mr. Freer, by and through counsel, hereby requests the Court enter the attached Order requiring the Alexandria Jail to provide him with his scheduled shot of Humira. After consultation with Mr. Freer's father and after receiving information about Max's condition from his dad, we understand this shot is scheduled for Monday. Without court intervention, Max's spine will suffer damage and his pain will be dramatic. We ask the Court to direct the jail to provide Mr. Freer this injection by Monday.
